TEAM BUILDING OPTIONS

Challenge your team with some unique island Team Building Games and Activities.

Not sure what kind of event will be suitable for your team? All our programs are customised to ensure we meet your party objectives and team building outcomes. Talk to us today!

LITE SCAVENGER HUNT
from $35.00 per person

This self-guided mobile adventure utilises technology to lead small teams in completing fun-filled creative missions around the resort. This is not a foot-race but a game built on strategy and creativity! All you need is a mobile phone and we manage the game remotely.

HOSTED SCAVENGER HUNT
from $75.00 per person

Upgrade to a hosted scavenger hunt including all missions and activities in the Lite Scavenger Hunt along with Banana Life staff facilitating the entire day. Get team issued bandanas, win prizes followed by a hosted presentation to wrap up the day!

AMAZING RACE
from $75.00 per person

Teams race around Tangalooma Island Resort, competing against each other in a series of questions, creative photo and video tasks, GPS check-ins and physical pit-stop challenges. Inspired by the 'Amazing Race' TV show, this activity is the perfect mix of problem-solving, teamwork, leadership and creativity.

It's fast-paced, and places greater time constraints on teams, as they visit 3-6 pitstop challenges located around the resort grounds. Game on!

GAME SHOW TRIVIA
from $45.00 per person

This is Trivia but not as you know it. We weave elements from popular TV game shows such as The Price is Right, Jeopardy and Minute to Win It. Lead by our professional MC and entertainer, your bunch will be in stitches as we roll out challenges and trivia questions throughout your lunch. Prepare to be a little outrageous, competitive, and creative. Our tech-setup is next level, which separates this from your regular pub-trivia night.

BEACH CARNIVAL
from $90.00 per person

This beach event creates a carnival atmosphere of music, games and challenges. Your group will be split into small teams as they compete head to head in a rotation of exciting beach activities. Each team is incentivised by "cash" and "island totems" and the team with the most of these will win! If you love the idea of a 'beach Olympics' then this is perfect for you. We'll test physical, mental and problem-solving skills.
