AMAZING RACE

from \$79.00 per person

Teams race around Tangalooma Island Resort, competing against each other in a series of questions, creative photo and video tasks, GPS check-ins and physical pit-stop challenges. Inspired by the 'Amazing Race' TV show, this activity is the perfect mix of problem-solving, teamwork, leadership and creativity.

It's fast-paced, and places greater time constraints on teams, as they visit 3-6 pitstop challenges located around the resort grounds. Game on!

ISLAND SURVIVOR

from \$92.00 per person

Your group will be split into an event number of tribes. If you love the TV Show 'Survivor' and want to maximise the time spent facing off in head – to head challenges – then this is for you! We will test the tribes in a series of physical, mental and puzzle-based games. Each team is incentivised by 'totem's and the strongest team rarely wins! This is a truly inclusive activity, with all the drama without the physical risk factor!

BEACH CARNIVAL

from \$92.00 per person

This beach event creates a carnival atmosphere of music, games and challenges. Your group will be split into small teams as they compete head to head in a rotation of exciting beach activities. Each team is incentivised by "cash" and "island totems" and the team with the most of these will win! If you love the idea of a 'beach Olympics' then this is perfect for you. We'll test physical, mental and problem-solving skills.
