OUTDOOR Team Building Activities

Take the world's 3rd largest sand island... Add a splash of sunshine, balmy sea breezes, crystal clear waters and pristine natural beauty, and you've got Tangalooma Island Resort. An island oasis, just a 75 minute boat cruise from Brisbane. Leave the mainland behind, switch to island-time and get ready for simple pleasures, whilst you compete against your teammates through unique Island challenges and celebrate your success over a couple of sunset drinks. It's very appealing!

SCAVENGER HUNT APP-BASED 8 - 500 1-2 hrs

Our most popular event at Tangalooma! This activity encourages teams to work together by prioritising missions, problem-solving, being creative and exploring opportunities. Our app leads small teams to complete fun-filled

creative missions around the resort. This is not a foot-race, but a game built on strategy and creativity! The finale includes the hilarious video presentation of all submissions and a memorable winners announcement.

AMAZING RACE APP-BASED 8 - 500 2-3 hrs

Inspired by the 'Amazing Race' TV show and classic Scavenger Hunts, this activity is the perfect mix of problem-solving, teamwork, leadership and creativity. Teams race around Tangalooma Island Resort, competing against each other in

a series of questions, creative photo and video tasks and physical challenges. It's fast-paced, and ends with a live-voting presentation before the winners are announced and crowned champions! Game On!

ISLAND SURVIVOR 8 - 300 2-3 hrs

Your group will be split into an even number of tribes, competing in a head-to-head rotation of exciting and strategic beach challenges. Each team is incentivised by "totems" and the team with the most of these will win!

If you love the TV Show 'Survivor' and want to maximise the time spent 'facing-off' in challenges, then this is perfect for you. We'll test physical, mental and problem-solving skills. The strongest players rarely win ...

RAFT BUILDING 8 - 120 2-3 hrs

The six basic elements to join together when building a raft are; flotation, a deck, propulsion, steering, teamwork, and safety. This is a classic team building activity, where teams work together to gather materials, design,

plan and build their own raft. Engage your team, where communication, design and planning, and strategy are critical to your success. Are you ready to pit yourself against nature, the wits of your team, and your building skills?

BEACH OLYMPICS 80 - 500 2-3 hrs

Team spirit, determination and teamwork are the keys to success in Beach Olympics! This adventure-style team building activity provokes competitiveness yet doesn't intimidate participants who may be lacking in

sporting or physical prowess. Beach Olympics creates a carnival atmosphere of music, games and energetic challenges, such as Volleyball, Ultimate Frisbee, Catapult Firing, Leaky Pole, and many more.

MINDFULNESS GAME

8 - 150 2.5 hrs

The Mindfulness Game sends teams on a series of indoor and outdoor missions that will cultivate self-awareness and resilience. It's no longer just a buzzword—hundreds of companies have integrated meditation and awareness

training to improve productivity, reduce stress and help people operate better under pressure. Your team members will feel energised, more connected, and recharged. You'll learn the science, then put it into practice.

GO GAME LITE

8 - 300 1-2 hrs

Looking for a fun team building on a smaller budget? The Go Game Lite is a huge hit with all the best missions from our Scavenger Hunts, but we run the game remotely, so it's extremely affordable! Instead of a hosted awards

presentation, as the game ends we send you a password protected website that highlights your best photos and videos from your adventures. Each team will need one smartphone to load our App, we do the rest! You will LOVE it!

INDOOR & EVENING Team Building Activities

Boost your corporate dinner at Tangalooma by introducing creative installations and entertainment packs that will ensure all guests have a memorable evening. Our evening programs are all customised to ensure we meet your conference objectives and team building outcomes. Eat, laugh, play, interact and enjoy.

GO GAME SHOW 8 - 100 1-3 hrs

This is Trivia but not as you know it. We weave elements from popular TV game shows such as The Price is Right, Jeopardy and Minute to Win It. Led by our professional MC and entertainer, your group will be in stitches as we

roll out challenges and trivia questions throughout your evening dinner. Prepare to be a little outrageous, competitive, and creative. Our tech-setup is next level, which separates this from your regular pub-trivia night...

SLOW MOTION VIDEO BOOTH 8 - 350 3-5 hrs

Capturing your colleagues and friends in slow motion takes 'photo booths' to a whole new level. We set up in a 4m x 5m space, with industry-standard LED lights, custom backdrops and high resolution camera. Participants are

guided by our attendants, and select from a range of custom props before delivering their moments of expression. Your guests will receive a 15 sec SLOW MOTION VIDEO as a keepsake, or to share on social media.

THE BIG PICTURE 8 - 120 2 hrs

Teams collaborate to create a giant painting reflecting company values. We'll supply everything you need (aprons, canvas, easels, paints and brushes), you organise the drinks. Our talented artists guide you step-by-

step while giving you creative licence to make it your own! This activity celebrates FUN art not FINE art. All artworks will then combine to make 'The Big Picture' - perfect for drawing parallels to business outcomes.

"All activities were well thought out and engaging! Staff were encouraged to get out of their comfort zone and work together."

"AMAZING. So much fun. Well designed, interactive, great for all abilities. Highly Recommend."

BRISBANE'S MOST UNIQUE TEAM BUILDING DESTINATION

Tangalooma Island Resort is one of Australia's most unique destinations for team building events. With lots of tours and activities to participate in, as well as a range of customised itineraries available, our team confidently caters for the most diverse range of team experiences.

Our Team Building Games and Activities are designed to meet specific outcomes:
Teamwork | Collaboration | Communication | Time Management | Leadership | Pure Fun
Calculated Risk-Taking | Productivity | Creativity | Innovation | Persuasion | Bold Action

INCLUSIONS

We have adapted our signature programs to suit the resort. By working closely with the Conference and Events team, we are able to plan and execute some of the most thrilling, ambitious and tailored corporate events in this country.

As part of our service; we include

- professional facilitators
- activity equipment
- pre-consultation and planning
- event summary and results
- site inspections
- \$20 million public liability insurance
- staff and equipment transfers

"There was something for everyone, whether you enjoy the mental or physical challenge! Thank you to the incredible staff that made our event a lot of fun, and so easy to organise!"

ABOUT

BANANALIFE
it's appealing

The Banana Life story was born in Queensland.

Our vision is simple; To make every workplace, the most appealing place to work.

We design and execute team building activities to get the results you want.

We work with:

- Leading Corporations
- Professional Conference Organisers
- Learning and Development Managers
- People and Culture Managers

Our experiences bring teams together, build stronger relationships, and develop leadership and interpersonal skills — while feeling 'less work more play'. That's Banana Life.

Tangalooma upholds a proud working relationship with Banana Life for all conference and corporate clients. For more information, please visit bananalife.com.au/tangalooma
