

Lonely Planet has acknowledged Tangalooma as the 'World's Best Beach to See Nature' in their latest book, 'Best Beaches - 100 of the World's Most Incredible Beaches.' Come and experience the magic for yourself.

WILD DOLPHIN EXPERIENCE

Participation in the Wild Dolphin Feeding experience is dependent on dolphin attendance, weather conditions & tides. As the dolphins are wild, arrival cannot always be guaranteed; however over the last 3 decades of the program, we have experienced a 99% attendance rate. If dolphins are not in attendance, guests will be credited with a return visit voucher to redeem the unused portion of their Wild Dolphin Feeding package only. Not applicable to any other standard cruises.

Tangalooma Island Resort aims to be an industry leader in eco-tourism experiences. We are gold certified members of EarthCheck, a global eco accreditation program that works towards protecting our environment, through exemplary business policy and practices.
