WILD DOLPHIN ENCOUNTERS

Experience the magic of meeting wild bottlenose dolphins. While they visit almost every night, this is an experience with wild animals, where dolphin welfare and guest safety come first. Feeding is subject to weather, dolphin behaviour and the number of dolphins that visit the feed on a particular night, so we cannot guarantee every eligible guest will hand feed a dolphin. To ensure the program's sustainability, sometimes guests will have to share one fish per group. Additionally for safety reasons, guests may be directed to feed the dolphins from the jetty. In the very rare event that no dolphins visit, eligible guests will receive a return voucher. Conditions apply.

Tangalooma Island Resort aims to be an industry leader in eco-tourism experiences. We are gold certified members of EarthCheck, a global eco accreditation program that works towards protecting our environment, through exemplary business policy and practices.
