WHY CHOOSE TANGALOOMA WHALE WATCHING?

Guaranteed Sightings

Tangalooma enjoys a 98-99% attendance and sighting rate. During peak season we are confident of a 100% figure. However, if no sightings occur on your tour you will be credited with a second tour at a future date. Conditions apply.

A Great View of the Action

Our purpose-built vessels mean smooth sailing all the way. And with oversized windows, large viewing platforms and a no overcrowding booking policy, everybody gets a great view.

Historical Experience

Did you know that Tangalooma was once a bustling whaling station? This was due to its proximity to the humpback whale migration path (humpback highway).

Brisbane Departure Point

The only operator that departs directly from Brisbane, just 20 minutes from the city and an easy M1 drive from the Gold or Sunshine Coasts.

Light Lunch

An individual boxed lunch will be served on board during the Whale Watching Cruise.

Onboard Visual Learning

Learn more about whales and other marine life, see historical images of the Tangalooma Whaling Station and learn more about Moreton Island.

Expert Commentary

Australia's most experienced whale watching crew guide the boat to the best viewing locations, whilst our Eco Rangers provide informative and expert commentary.

Pro Tip: Select the earliest (7:30am departure) or the latest boat departure (after wild dolphin experience) to maximise your resort time. (Note: Departing on the 10:00am boat with a 4:00pm return on The Whale Watching Day Cruise does not allow for much resort time).

WILD DOLPHIN ENCOUNTERS

Experience the magic of meeting wild bottlenose dolphins. While they visit almost every night, this is an experience with wild animals, where dolphin welfare and guest safety come first. Feeding is subject to weather, dolphin behaviour and the number of dolphins that visit the feed on a particular night, so we cannot guarantee every eligible guest will hand feed a dolphin. To ensure the program's sustainability, sometimes guests will have to share one fish per group. Additionally for safety reasons, guests may be directed to feed the dolphins from the jetty. In the very rare event that no dolphins visit, eligible guests will receive a return voucher. Conditions apply.

Tangalooma Island Resort aims to be an industry leader in eco-tourism experiences. We are gold certified members of EarthCheck, a global eco accreditation program that works towards protecting our environment, through exemplary business policy and practices.
